

Cost Estimator:

How many pages is your motion?

How many names are on the mailing matrix?

Postage Cost: (see chart)

Weight	Sheets of Paper	Cost
1	1-5	.44
2	6-9	.61
3	10-13	.78

What is the cost per copy? (eg. .15 for fifteen cents):

Total Postage Cost:

Total Printing Cost:

This cost estimator is only an estimate. It does not reflect what you actual bill may be. However, you may use this to estimate the costs for mailing should you be preparing a fee app or other similar reimbursement application. BK Attorney Services, LLC does not guarantee the accuracy of this cost estimator and reminds the user that the final invoice after mailing is the only true accurate invoice.
